1,000 Any-Size Quilt Blocks (Leisure Arts #5593) Linda Causee

Most quilters today have easy access to a computer and printer -- either their own or at an office supply or copy center. So it's simple to pop a CD into the computer and print a particular block pattern in just the right size for a project. This book not only gives patterns for 1,000 quilt blocks, but the accompanying CD offers each block in six different sizes from 4" to 15". This gives the quilter immense flexibility. The blocks are organized by styles such as Four-Patch or Nine-Patch, and all blocks are shown in full color. There are choices for the beginner as well as more challenging ones for advanced quilters. This big treasury of blocks is a must-have book for every quilter's library.
