Picturing God Ann Ulanov

Picturing God demonstrates the importance of confronting our unconscious selves and allowing our images of God – both positive and negative – to surface. Such inner exploration reveals not only relevant insights about ourselves, but also pulls us beyond our private pictures of God toward a truer view of the living God. Picturing God shows us how to explore our unconscious selves and how this spiritual exercise can change the whole of our lives: how we respond to God, how we relate to others, and how we view ourselves.
