Don Winslow

**Satori** Don Winslow

*Prepare to meet the world's most dangerous man . . .*

Nicholai Hel-genius, mystic, and the perfect, formidable assassin-was first introduced to readers in *Shibumi*, the classic #1 bestseller by master storyteller Trevanian. Now critically acclaimed author Don Winslow continues Hel's story for the first time in this all-new, blockbuster thriller.

## SATORI

It is the fall of 1951, and the Korean War is raging. Twenty-six-year-old Nicholai Hel has spent the last three years in solitary confinement at the hands of the Americans. Hel is a master of *hoda korosu*, or "naked kill," is fluent in seven languages, and has honed extraordinary "proximity sense"-an extra-awareness of the presence of danger. He has the skills to be the world's most fearsome assassin and now the CIA needs him.

The Americans offer Hel freedom, money, and a neutral passport in exchange for one small service: to go to Beijing and kill the Soviet Union's commissioner to China. It's almost certainly a suicide mission, but Hel accepts. Now he must survive chaos, violence, suspicion, and betrayal while trying to achieve his ultimate goal of *satori*-the possibility of true understanding and harmony with the world.
