During a fire, a patient walks away from a mental institution where she has been confined for fifteen years without justification. Her memory gone, she wanders for days before stumbling into a small town church where she is taken in by the minister and his wife. During a trip, Autumn sees the person who betrayed her and her memory returns in one horrifying moment. Fearing for her safety and the safety of those who befriended her, she accepts a position as a companion to Megan, the daughter of a ruthless lumber baron who rules his mountain and his family with an iron fist. Megan finds her new companion residing in her mother's rooms that have been closed for years. In spite of her resolve not to like this woman, Megan finds herself drawn to her. A Tangled Web takes place in the mountains of West Virginia and in New Orleans. It's a story of the devastation of virgin forest and the people who lived, worked, loved, and died there.
