## **Behind The Hands That Kill (In The Company Of Killers Book 6) J.A. Redmerski**

Even professional killers need vacations, but for Victor Faust, his vacation in Venezuela is about more than relaxation and time alone with Izabel Seyfried. It is a chance for him to come clean to Izabel: to tell her the truth about why he sent her to Italy with his brother, the truth behind his interest in Nora Kessler, and about his knowledge of Izabel's child with her former captor. But before Victor can spill his soul, reality proves that for some killers, vacations are just pipe-dreams.

Attacked and kidnapped, Izabel finds herself stuffed in a suitcase, while Victor later wakes up imprisoned in a cage. In any other situation, Victor would find a way out and save himself and the woman he loves—but not this time. When the identities of their kidnappers are revealed, Victor loses all hope, and begins the mental process of accepting his and Izabel's last moments together. And Izabel's final moments of life.

As if his circumstances are not complicated enough, members of Vonnegut's Order are finally closing in on Victor. And when they do, he comes face-to-face with someone else he once knew and loved, who could either help him, or make a grave situation much worse. Victor's past has finally caught up with him: the women he has cared for, loved, and killed; the families he has destroyed; the unforgivable crimes he has committed. And now he must face the consequences, and pay the ultimate price for absolution.

But when it is all over, Victor may not have the strength to pick up what is left and move on. Because the event changes him. Because love changed him. And because, unlike before when he thought it is was for the best, he cannot imagine a life without Izabel in it.
