Flight of a Valentine (The Valentine Series) (Volume 1) Angela Bradley

We all have cracks in our foundation; some of those cracks run deeper, and leave more evident scars. "Flight of a Valentine" is the story of Angela Valentine, a girl digging through her past to help her move towards an emotionally healthy future. Angela was born fighting for attention, desperate to be someone's priority. It has led to a life of seeking validation for the person she has become, to others and, more importantly, to herself. Unhealthy choices, bad decisions and emotional uncertainty makes her life almost unrecognizable, even to herself. When her first adult relationship spirals out of control, it rattles Angela to the core, despite the break-up being her decision. She was an afterthought in the relationship, a fact that brings back overwhelming memories of her childhood. Angela thought that the years of sitting in her shrink's office had helped her move on and be free from memories of the past. She has never been more wrong about anything in her life. Desperately needing a break from her life, away from all things that aren't the healthiest, hard partying, her ex and the overly needy people that aren't true friends. Angela decides to visit Virginia for the summer to find answers only her family can provide. Answers especially from her mother, who has always been the water to Angela's fire. If she can come to terms with herself and her past, she can stop fleeing from uncontrollable situations and repair the broken parts of herself. And, perhaps most importantly, find a love that is worthy of her. Who ever really knows when love will walk into your life, or when it turns and walks away. All is fair in love and war. And there isn't a promise of forever "Flight of a Valentine" is an ode to anyone who has been forced to fight the past in order to claim victory in the present. This is not a story of love; this is a story of falling apart and gluing yourself back together. This novel will appeal to anyone who has had to stand on their own, be their own hero, and fight for themselves, even if it means taking flight.
