Hard Choices...or Why I Should Be President: A Parady

Hillary Rodham Clinton's deeply heartfelt analysis of the crises, choices, and challenges she faced during her four years as America's 67th Secretary of State, and how those experiences make her qualified to be the next president. She goes on to enumerate every one of the attributes that make her the obvious choice for Americans. "All of us face hard choices in our lives," Hillary Rodham Clinton writes at the start of her personal memoir of years at the center of world events. I guess this means the international world revolves around her. "Life is about making such choices. Our choices and how we handle them shape the people we become." Apparently, for voters in 2016, they will be facing another of these "hard choices" in deciding who will lead the country. In this riveting diatribe, we are treated to all the noble and correct reasons that we should begin to use the phrase "Madam President".
