Seeds of Summer Deborah Vogts

A heart-warming contemporary romance set in the Flint Hills of Kansas, where a former rodeo queen abandons her dreams in order to care for her deceased father's ranch and her two half-siblings, only to realize, with the help of a young new pastor, that God can turn even the most dire circumstances into seeds of hope.

Spanning the Seasons of the Tallgrass, each story in this series reveals the struggle of the people who live there and the dreams they have for the land until they come full-circle in a never-ending cycle, just as man comes full-circle in his understanding of God.
