Tempting the Tiger (Awakening Pride) (Volume 2) Lacey Thorn

Legend awakened... Reno has known there was more to him since he awoke in the hospital, alive when he should have died. Only one thought consumed him. Find Tah. Watch over him. Protect him. Then everything changed. A tempted tiger... A mission gone wrong brings him face to face with a woman who tempts his tiger from hiding. He wants her with a fierce hunger that consumes him and shocks him with the possessive nature she awakens. Mine... Amia belongs nowhere. Not with the Blane family of hunters she was born into, and not with the dominant man who kidnaps her and turns her world upside down. She runs. She fights. And when the time comes, she pays the price. Running isn't an option, and there's no fighting a man who turns her inside out with unquenchable lust. Maybe, just maybe, she's found where she belongs.
