For years I'd guarded it, and when I finally lost it I didn't even plan on it! Kyle and I completed a very successful deal and we both got huge bonuses. When we got together so he could give me advice about how to manage my sudden cash flow influx, I couldn't help myself. Before I knew it I was reaching for his belt buckle and suddenly I realized I was going to go all the way with him. Twenty-two years, and I finally had sex for the first time. With Kyle, it was worth the wait.

Warning: This ebook contains very explicit descriptions of sexual activity and includes first sex, oral sex, deep throat, office sex, and more. Only mature adults who won't find that offensive should read this story.

Here is a preview:

When we were done, Kyle smiled at me, took the last piece of walnut shrimp, and then said, "If you stick with this, you'll be secure for a long time to come. You also have some freedom now. You can make riskier choices with your career like getting involved with a startup, you can spend a little more because you can save less, and you can get more attractive financing when you buy large items because you can put more down. The company already took your taxes out but that much money will earn income and you'll have to make sure you have a tax guy who can handle it right. Outside of that, for the next four or five months, don't make any huge decisions involving money. Blow your five grand and have fun but do your best to pretend the rest doesn't exist. After six months, it won't feel like something you have to spend because it's there. The key is to still live according to your income and not according to what you have in the bank."

How I felt then compared to before was remarkable. It was day and night, and excitement replaced the nervousness in a pretty dramatic way. So, when Kyle asked if I felt better, I said, "Now I feel like celebrating."

He stood up and said, "Do you want to catch a movie?"

I didn't want to watch a movie.

I wanted to give him a blowjob.

Until my hands got to his pants.

That was when I realized in short order I would no longer be an untouched innocent.
