## Oversee God's People: Shepherding the Flock Through Administration and Delegation (Practical Shepherding Series) Brian Croft, Bryce Butler

The Bible gives instruction to those called to church leadership, challenging them to shepherd God's people by exercising oversight. But what does that mean? And how is it done in a way that is faithful to God and effective in enabling growth, individually and corporately?

The Practical Shepherding series of guides provides pastors and ministry leaders with practical help to do the work of pastoral ministry in a local church. In *Oversee God's People*, pastors Brian Croft and Bryce Butler unpack what the Bible teaches about administration and the necessity of delegation in congregational leadership, offering practical suggestions to improve the structures, process, and relationships among leaders in your church.
