You may have heard the term ‘**legal highs**’ or "**Legal High**" before and wondered what it meant – is it just getting your adrenaline flowing or is there actually a way to get high without being put behind bars? This book exists to give you the information that scaremongering news articles might not be – the information about what is legal or not, what is safe or not, and what will get you high or not. You will be given an insight into the world of legal highs and the ways that people have been experimenting with their minds for thousands of years or just the last few months.

- Discover how people have been using various household items to change their view about the world
- Learn about some of the more bizarre drug laws in existence and what they don't apply to
- Rediscover your love of botany with information about some of the most exciting mind melting plants on the globe
