Our Unseen Guest (Classic Reprint) Unknown Author

Our Unseen Guest speaks for himself. The discussion of the persistence of personal identity and consciousness and of the question of continued life and activity after the darkness or the dawn that men call death affords abundant matter for reflection and debate. The publishers can only say that the reasons for anonymity of authorship are reasonable and adequate; they know both Darby and Joan and have confidence in their complete sincerity; the persons and places referred to under names which for obvious reasons have been changed, are real, and for the most part exceedingly well known. But the book must stand upon its own feet.

(Typographical errors above are due to OCR software and don't occur in the book.)
