Practical Classroom Management Vern Jones

Practical Classroom Management presents hands-on methods for creating a positive learning environment, working with behavioral problems, and dealing with a range of challenges in the K-12 classroom.

This text uses real-life examples to help both pre- and in-service teachers understand and apply the principles of classroom management in their own classroom situations. The text uses case studies, examples, and descriptions of specific strategies based on current research and classroom experience. *Practical Classroom Management* features classrooms ranging from kindergarten through the twelfth grade. It focuses on creating positive learning environments for students, and provides extensive, practical materials on both problem solving and building individual behavior change plans for students with behavioral problems.
