Tarascon Pocket Pharmacopoeia, 2007 Deluxe Lab-Coat Pocket Edition

Steven M. Green

Tarascon Pocket Pharmacopoeia, 2007 Deluxe Lab-Coat Pocket Edition Steven M. Green

The popular Pocket Pharmacopoeia continues the high-quality tradition of a convenient and organized pocket manual detailing typical drug dosing (both FDA approved and off-label uses), available trade and generic formulations, metabolism, Canadian trade names, relative pricing information, and safety in pregnancy and lactation. This Deluxe edition takes it all a step further by including additional drugs and dosing indications, black-box warnings, notes regarding adverse effects and drug interactions, and a table of cytochrome P450 isozymes. Packed with this expanded information and more tables than the Classic, the Deluxe is still small enough to comfortably fit in your lab coat pocket. As with the Classic, all entries are meticulously peer-reviewed by drug information experts and clinicians of multiple specialties.
