Settle yourself in for a wicked bed time story, a hot, wild ride through nursery rhymes like you've never heard them before. Set in a fantastical world where the privileged few own and raise pleasure servants like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her charges with a firm and skillful hand. But where has Father Goose wandered off to, and who will take Mother in hand when she ventures too far?

Warnings: This title contains erotic situations, graphic language, sex, and a perspective on nursery rhymes you'll never forget!
