## The Science of Military Strategy

This first English-language volume on strategy by China's People's Liberation Army (PLA) was translated by a team of experts at the Academy of Military Sciences from the original Chinese-language version (Zhanluexue, 2001). Edited by two major generals with significant ability to shape PLA strategy as advisers to China's powerful Central Military Commission (CMC) and Politburo Standing Committee, this volume undoubtedly reflects elements of critical policy trends in Beijing and hence merits close examination.
