**Turning the Corner on Grief Street: Loss and Bereavement as a Journey of Awakening** Terri Daniel  
Turning the Corner on Grief Street introduces a brave new world in which grief can be viewed as a gift as well as a tragedy. In this world, death is not the enemy, and grief does not have to be paralyzing. Instead, we can welcome the ways in which grief shakes us loose from our spiritual lethargy and creates a wound that is much more than a wound... it is an opening. The remarkable teachings found here assume that we are ready to accept death and grief as not only necessary for spiritual growth, but also as a sacred experience that can elevate our perspectives and expand us rather than annihilate us.
