Africa 2014 (World Today (Stryker)) J. Tyler Dickovick

The World Today Series: Africa provides students with vital information on all countries on the African continent through a thorough and expert overview of political and economic histories, current events, and emerging trends. Each country is examined through the following sections: Basic Facts; Land and People; The Past: Political and Economic History; The Present: Contemporary Issues; and The Future. In addition to country chapters, the book features extended essays on Africa's Historical Background and the Colonial Period. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors and students. The content is thorough yet perfect for a one-semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student and library budgets.
