## **Argentine Caudillo: Juan Manuel de Rosas (Latin American Silhouettes)** John Lynch

Argentine Caudillo: Juan Manuel de Rosas, is John Lynch's new edition of his 1981 book, which is now out of print. The original has been shortened, making it well-suited for classroom use.

The figure of Juan Manuel de Rosas dominates the history of Argentina in the first half of the nineteenth century. Charles Darwin, who met him on campaign against the Indians, described him as 'a man of extraordinary character,' the lord of vast estates and, for over twenty years, absolute ruler of Buenos Aires and its province. The present book studies the forces which made and sustained Rosas, and examines through him the roots of the caudillo tradition in Argentina. It reconstructs the world of great estates and the rise to power of their proprietors, establishing the relation of patron and client, of master and peon, the basis of political allegiance at that time. Argentine Caudillo follows the career of Rosas as a classical caudillo, who rescued his people from fear and anarchy and delivered them into the hands of a great dictatorship.

Leader of the gauchos, yet representative too of the powerful landed proprietors and cattle exporters, Rosas established an early prototype of a totalitarian state and employed systematic terror to defend his rule. The book helps to elucidate the concept and practice of caudillismo, or personal dictatorship, in the Hispanic world, and the use of violence to seize and defend power. It does this against a backdrop of transition from colony to independence, and then from anarchy to absolutism.

Argentine Caudillo provides a detailed study of the use of state terror as an instrument of policy, one of the few such studies for any period of Latin American history. There is no book which duplicates this work either inside Argentina or outside. In Argentina, Rosas has become a subject of fierce controversy, partly because of his nationalism, partly because of his reign of terror. Consequently, while there is a vast bibliography on Rosas, much of it is polemical and ephemeral. This is the only scholarly and objective modern history of Rosas.

Carefully preserving the identity of its predecessor, the new edition updates the background history and adjusts to recent trends in the study of the Rosas period concerning the estancia and agrarian regime, the political ideology of Rosas, the family, and community bases of power.

Argentine Caudillo: Juan Manuel de Rosas is an excellent resource for students as well as scholars on this powerful figure in Latin America.
