Down and Out (Desert Winds Book 1) Marcy Dyer

Going home again can be deadly.

Suddenly jobless, enterprising Candace Downs returns to the parched and dusty oil-town of Odessa, Texas as a trainee for her cousin's towing company.

Rejecting the romantic obsessions of a maniacal stranger intent on capturing her heart throws her life into a terrifying spiral downward.

As the clock ticks, and her hunter ups the ante, the charismatic, handsome security consultant, Josiah Bradley, is determined to keep her alive – at any cost.

Will they win this harrowing cat-and-mouse game? Or will the unrelenting stalker bury them both deep in the desert?

From reader reviews:

Blair Kennedy:

Why don't make it to become your habit? Right now, try to ready your time to do the important behave, like looking for your favorite e-book and reading a guide. Beside you can solve your short lived problem; you can add your knowledge by the book entitled Down and Out (Desert Winds Book 1). Try to the actual book Down and Out (Desert Winds Book 1) as your close friend. It means that it can for being your friend when you sense alone and beside regarding course make you smarter than previously. Yeah, it is very fortunated for you. The book makes you a lot more confidence because you can know everything by the book. So , let us make new experience in addition to knowledge with this book.

Edward Phillips:

People live in this new morning of lifestyle always make an effort to and must have the free time or they will get great deal of stress from both lifestyle and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not really a huge robot. Then we inquire again, what kind of activity do you have when the spare time coming to anyone of course your answer will probably unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative in spending your spare time, typically the book you have read is usually Down and Out (Desert Winds Book 1).

Kari Annis:

Many people spending their period by playing outside having friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you think reading a book will surely hard because you have to take the book everywhere? It alright you can have the e-book, having everywhere you want in your Cell phone. Like Down and Out (Desert Winds Book 1) which is getting the e-book version. So , why not try out this book? Let's find.

Harold Thompson:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Down and Out (Desert Winds Book 1) can make you truly feel more interested to read.
