Working as a personal trainer for the past 15 years has given me an extremely blessed life and I'm thankful every day that this is my profession. I love the fact that I get paid to positively impact the lives of my clients every single day. I put together this book to help others achieve a career as rewarding as the one I've experienced. Hopefully this guide will help you find the same joy, satisfaction, and success that I have found in this dynamic profession.

This is my story and I hope you like it. It comes from my heart.
