## My Life with the Liars Caela Carter

Perfect for fans of Kathryn Erskine's *Mockingbird* and Holly Goldberg Sloan's *Counting by 7s*, this is a stunningly unique and poignant story of one girl's strength and courage as she decides who she is and what she will believe in.

Behind the white-washed walls of the Arizona compound, life was simple. Follow the rules, "live in the light," and all would be well. Zyllynn was excited to turn thirteen and begin the work of bringing others into the light, to save them from the liars and the darkness of the outside world. But when she is taken away by a man who claims to be her father, Zyllynn is confused, and desperate to return to her home.

Zyllynn resists her new life—until she finds small comforts, like shampoo, the color pink, and strawberries. But as her thirteenth birthday approaches, Zyllynn must make a difficult decision—to stay here with the enemy, or find her way back to the light. And neither may be what they seem.
