Men don't follow programs, they follow men. That's why Neil Kennedy created this leader's guide for Fivestarman: The Five Passions of Authentic Manhood. Referring to Fivestarman leaders as centurions, Kennedy equips these leaders with the insight and training they need to effectively communicate the five passions of authentic manhood. A reservoir of information, Centurion Principle is based on the principle of authority that Jesus taught: servant leadership. Godly authority gives leaders the ability to walk with the dignity of manhood and the controlled meekness of a true leader. This valuable resource helps men understand how authority flows through leadership, not around it.
