**Las ideas políticas y el pensamiento administrativo en la historia (Spanish Edition)** Castro Cristian Darío

Abordar la temática de la historia de las ideas políticas y el pensamiento administrativo como un corpus coherente e integrado es posible. Es importante encontrar nuevas formas de narrar la historia, ampliar sus objetos de estudio tanto de contexto como de autores e imprimir un sentido particular a cada época que se aborda en el proceso investigativo. En este libro se aspira a entender un aspecto de los grandes procesos y transformaciones de las ideas y actores políticos y sociales en el devenir histórico: el de las relaciones entre el pensamiento político y el administrativo. Las ciencias, las artes y ciertas concepciones filosóficas serán soportes de nuestro inquirir sobre la relación que ha existido entre estos dos importantes campos del pensamiento. Nos interesa adentrarnos en los vasos comunicantes de dos arquitecturas del pensamiento, la historia y la filosofía política, en un intento de vincular la belleza de la historia con el arte superior de la reflexión filosófica. En este empeño, las narrativas contenidas a lo largo del texto acogen como suyo el pensamiento de Aristóteles, quien interpretaba la filosofía como la construcción de principios universales, y la historia, como el estudio juicioso de eventos singulares. No siempre la filosofía y la historia suelen converger, pero en este libro se hace clara la necesidad de acercar estas disciplinas de estudio para entender la política y la administración.
