What if everything you thought you knew was a lie?

Crafting spells, running her shop, and hanging with her lover, Hayden, was all Persephone Carraway wanted out of life. The future was filled with endless possibilities as long as it was with the girl of her dreams. But Hayden has a secret and, it turns out, so does Persephone.

One night in the Underworld will change things forever....

Demi, Persephone's mother, has developed a designer pomegranate, infusing it with her daughter's blood. A single act of betrayal will craft war with the old gods and the fae, leaving destruction in its wake. Persephone is drawn into a web of myth and magic where nothing is at it seems, even herself.

Myth. Magic. Pomegranates....
