Could I have saved him?

When my life changed in that smoky second, confusion rained down around me like sparks from a fire. But yet I find myself falling for a sexy stranger I met in a dark park, and blatant lies I didn't know existed culminated into unfortunate truths.

At twenty-three, I thought I had life, men, and my future figured out. It turns out, I knew nothing.

In Shari J. Ryan's latest Romantic Suspense, *Red Nights*, you wonder how dark your world can get before all you see is red.
