Byways of Blessedness: Original Unedited Edition (The James Allen Collection) James Allen

Along the highways of Burma there is placed, at regular distances away from the dust of the road, and under the cool shade of a group of trees, a small wooden building called a “rest-house”, where the weary traveller may rest a while, and allay his thirst and assuage his hunger and fatigue by partaking of the food and water which the kindly inhabitants place there as a religious duty. Along the great highway of life there are such resting places; away from the heat of passion and the dust of disappointment, under the cool and refreshing shade of lowly Wisdom, are the humble, unimposing “rest-houses” of peace, and the little, almost unnoticed, byways of blessedness, where alone the weary and footsore can find strength and healing.
