Circle of Death (Death's Sanctuary Book 1) Thais Lopes

Kelene and Lucio's meeting could be called a coincidence - if they believed in coincidences. After all, what could bring together a human girl who knows too much about the Otherworld and a vampire hunted by his own kind? But Kelene hides many secrets, including a past she shouldn't remember. And Lucio, two times a traitor, is hunted by the same vampire who once swore to kill her.

As Kelene realizes she is about to be caught in an old trap, they understand that there is far more at stake. An ancient force has awakened, threatening to throw the world into chaos and destroy the Otherworld.

But what can anyone do when Death herself is threatened?
