Empire of Light

Empire of Light David Czuchlewski

With his astonishing debut, *The Muse Asylum*, David Czuchlewski "set the bar high for his future writing" (*San Francisco Chronicle*). Delivering on that promise is *Empire of Light*, a literary page-turner that encompasses elements of psychological and intellectual mystery. When Matt Kelly's ex-girlfriend Anna disappears into a powerful religious cult known as Imperium Luminis, he pretends to join the organization himself in a desperate effort to find her. But as he penetrates further into the Imperium, the line between his own thoughts and those of the cult become dangerously blurred, dropping him into a tangle of deception and belief—and into the center of a vast, disturbing conspiracy. *Empire of Light* confirms David Czuchlewski as a master of the intelligent, elegantly crafted thriller.
