Exodus: Empires at War: Book 2 (Volume 2) Doug Dandridge

The Saga Continues as the Ca'cadasan menace prepares to assault the New Terran Empire. A menace humankind fled across the Galaxy two thousand years before.

Humankind has grown complacent, confident in the victories their fleet has won for them through the last thousand years over numerous alien races. But the Ca'cadasan Empire has continued to grow, and now the massive Imperialistic power has found the hated humans. The Emperor knew this was going to happen, but most of Parliament ignored his strident call. And the Prince Sean Lee Ogden Romanov, third in line for the throne, finds himself placed into a position he had never thought would come his way. The fate of the Empire may rest on the abilities of one young man, and his skills at navigating the maze of Imperial politics amidst a war of extermination. Book two of the popular Exodus Series.

In the tradition of Poul Anderson and David Weber.
