The Lands of Ayrenia was once a place that flourished with Magic until the Cataclysm, an event caused by a great Mage that eradicated all Magic. Three hundred years have passed since, and the gods seek a way to bring Magic back into the dying world. They choose Braelyn, a descendant of the great Mage, who is taken by pirates and sold as a slave, later to become a gladiator. The orphan Autumn Storm discovers her heritage and the Magic of shapeshifting. Autumn and her friends start their own mercenary group called The Red Dragon and come face to face with Demons that have broken loose from Shadow and who seek to destroy her world. Tessa Oak sets out from her home, not knowing her true heritage, to find the man who is her father and to join the famed Red Dragon Rangers. Tessa's Magic is so powerful that the Demons seek to control it.
