Out of the Ice Ann Turner

By the bestselling author of *The Lost Swimmer*, a tense, eerie thriller set in the icy reaches of Antarctica

When environmental scientist Laura Alvarado is sent to a remote Antarctic island to report on an abandoned whaling station, she begins to uncover more than she could ever imagine.

Reminders of the bloody, violent past are everywhere, and Laura is disturbed by evidence of recent human interference. Rules have been broken, and the protected wildlife is behaving strangely.

On a diving expedition, Laura emerges into an ice cave where she is shocked to see an anguished figure, crying for help. But in this freezing, lonely landscape there are ghosts everywhere, and Laura wonders if her own eyes can be trusted. Has she been in the ice too long?

Back at base, Laura's questions about the whaling station go unanswered, blocked by scientists unused to outsiders. And Laura just can't shake what happened in the cave.

Piecing together a past and present of cruelty and vulnerability that can be traced around the world, from Norway, to Nantucket, Europe and Antarctica, Laura will stop at nothing to unearth the truth. As she comes face to face with the dark side of human progress, she also discovers a legacy of love, hope and the meaning of family. If only Laura can find her way . . .

Out of the ice.
