Over the past ten years the numbers of wives who have affairs has grown dramatically. Recent surveys suggest by as much as 50 percent. Yet, in all the acres of space devoted to male infidelity, so far this has been a largely untouched subject. In this guide, Carol Botwin - advice columnist, therapist and author - rushes to help rather than to condemn. Drawing from 600 interviews and case histories - with both husbands and wives - Botwin examines causes, initial attractions, affairs in progress, endings and aftermaths. Throughout she offers her experienced advice and solutions on how to deal with a lover, children, and husband after the affair has dealt a devastating blow to the marriage. Carol Botwin, a leading sexologist and columnist, brings together her research and interviews with more than four hundred women.

*Tempted Women* is loaded with candid, fascinating stories of women giving in to instant sexual attractions, having affairs with co-workers, and carrying on emotional liaisons that last decades. Women tell - in their own words - how their misdirected intentions and runaway temptation led to incredibly passionate extra-marital sex and painful consequences.

Botwin outlines ways to foresee whether a woman will have an affair and breaks down affairs into predictable stages. She asks questions such as, "Are affairs without sex really possible?" and "What do you do about the man you can't forget?" and answers them. She explains the causes of infidelity, and the solutions. Combining the support of an empathetic confidante and Botwin's trademark practical advice, *Tempted Women* is a friend to reach out to for the millions of women who are having an affair - and for the innumerable women who think about it.

Carol Botwin is a well-known sexologist and has been a columnist for *Woman* and *New Woman* magazines. She has written for *Ladies' Home Journal*, *Woman's Day*, and *Redbook*. Her articles have also appeared in *Cosmopolitan*, *Glamour*, *The New York Times Magazine*, and *USA Today*. Ms. Botwin is the author of five other books including *Men Who Can't Be Faithful* and *Is There Sex After Marriage?*
