The Black Dwarf (The Waverley Novels)

Walter Scott

The Black Dwarf (The Waverley Novels) Walter Scott

Set in south-west Scotland in the immediate aftermath of the 1707 Union, *The Black Dwarf* was intended to be a story about the first, abortive, Jacobite uprising of 1708. Instead it developed into a gothic tale of the supernatural. This new edition brings out the virtues in the story, long overlaid by Scott's embellishments in later editions.
