Becca Huntley's produced the Lyndale Park Players' over-the-top Christmas show for ten years. It's a beloved Minneapolis tradition, and the theater's main fundraiser. But this year's production is in danger of being canceled when their director disappears into rehab. Good thing his directing partner steps in to save the day. Except for the minor fact that he hates *everything* about Christmas.

Jack Whittaker wiped this town off his shoe with his graduation tassel and never looked back. But duty compels him to fulfill Tyler's promise to direct the show. Even though it means working with Becca, the girl he always wanted, lost to Ty, but never forgot.

It'll take more than a few handfuls of tinsel to soften Jack's heart toward Becca's favorite holiday. Steamy kisses that melt the snow right off his boots are a step in the right direction. They'll both discover that Christmas is about making each other's dreams come true. But will it require sacrificing their chance at a happily-ever-after together?
