#AuntAlma is a piece of work. She's always raisin' hell--and always denying it. Laced with old-school wisdom, her quotations will surely have you laughing and may even remind you of an older, outspoken, out of control relative of your own. In *#AuntAlma: Raisin' a Little Heaven on Earth*, you'll enjoy the rantings of an auntie a community adopted as one of their own. You'll chuckle, cheer, even scratch your head--and you'll be inspired as America's aunt addresses life, death, doctors, dogs, fear, and faith. No topic is off limits. If you thought Maxine was the epitome of sass, meet #AuntAlma; she surpasses Maxine's sass, with a whole lot more class.
