Continuous Conversion Brad Wilcox

I can't do this Mormon thing, a friend told Brad Wilcox. "I've tried, and the expectations are just way too high." And she's not alone in her thinking. Many people, as they feel themselves falling short of perfection, are tempted to quit trying.

But are there only two options? Think of it this way: When a person is learning to play the piano, are the only two options performing at Carnegie Hall or quitting? Similarly, in mortality, are the only two choices being perfect or giving up?

"No," writes Brad Wilcox. "Growth and development take time. Learning takes practice. Discipleship is a journey, and true conversion is a continuous process."

In this hope-filled book, Brad shares his keen understanding and testimony of the Atonement of Jesus Christ as it relates to our own conversion. Conversion occurs, he says, "when we stop trying to earn heaven and start trying to learn it...As we take each little step to show faith, repent, make and live covenants, seek the Holy Ghost, and endure to the end, we are not paying our way into heaven. We are practicing for it."
