Four Jokers and a Queen (The Max and Molly Murder Mystery Series Book 2) James Hockings

This fast-paced thriller is the second novella in the Max and Molly Murder Mystery Series. In this episode, our two homicide detectives pursue the murder of a stand up comic in his dressing room, while the crew of a “reality show” meddles in their investigation. However, nothing is “real” about the suspects they interview—they all have secrets and a motive for murder.

It is cleverly divided into scenes and not chapters and each scene is time and date stamped.

Max and Molly could not have more different personalities, but what they have in common is that their personal lives are falling apart and their personal lives are affecting their work. Sex, drugs and blackmail are blocking the road to an arrest in this case. And Max faces a critical decision about Molly’s career on the force.

About 90 standard pages... 22,000 words
