*Don Funnell, Romola Parish*

**Mountain Environments and Communities (Physical Environment)** Don Funnell, Romola Parish

*Mountain Environments and Communities* explains the background physical environment and then explores the environmental and social dimensions of mountain regions.

This critical review of the concepts currently employed in mountain research, draws upon a wide range of examples from developed and developing countries. The dynamics of mountain life are described through both historical accounts of village-based systems and examples of the contemporary impact of global capital and sustainable development strategies.
