**Pariah** Dave Zeltserman

“What a sick puppy of a writer **Dave Zeltserman** is!...a doozy of a doom-laden crime story that not only makes merry with the justice system, but also satirizes those bottom feeders in the publishing industry who would sign Osama bin Laden to a six-figure contract for his memoirs, if only they could figure out which cave to send their lawyers into...I'd say Zeltserman can't top **Pariah** for its sheer diabolical inventiveness, but he probably will. And given that the corrupting vision of his work is so powerful, I ought to know better than to read the next novel he writes. But I probably will anyway.”—**Maureen Corrigan**, *The Washington Post*

“This fusion of hardboiled and bitter satire is brand new territory for noir and I suspect that it will be one of the most talked about novels of 2009.”—**Ed Gorman**

“**Pariah** will keep you glued to its pages. There are no holds barred anywhere in this wonderful launch into evil. The meek beware . . . be-very-ware.”—**Charlie Stella**

“**Pariah** is sure to catapult Zeltserman head and shoulders above other Boston authors. This is not only a great crime book, but a gripping read that will crossover to allow greater exposure for this rising talent.”—*BOOKGASM.com*

**Praise for Dave Zeltserman's *Small Crimes*:**

"[*Small Crimes*] deserves comparison with the best of James Ellroy."—*Publishers Weekly*, starred review

"The plot of *Small Crimes* is a thing of beauty"—*The Washington Post*

"A strong piece of work, lean and spare, but muscular where a noir novel should be."—*The Boston Globe*

Once part of the holy triumvirate ruling the South Boston Irish Mob, Kyle Nevin is set up with the Feds by head mobster Red Mahoney, who leads him to a court case and a stretch in the slammer. Now out of prison, Kyle wants revenge on his old boss and mentor and, just as importantly, to reclaim his former glory.

A kidnapping gone wrong leads, bizarrely, to a major book deal and a newfound celebrity status for Kyle. However, it also brings about bigger problems for both himself and anyone unlucky enough to cross his path.

With this dark riff and contemporary theme, Zeltserman shows why he is the heir of Jim Thompson and James M. Cain.

**Dave Zeltserman** lives in the Boston area with his wife. His previous novel *Small Crimes* was included in *The Washington Post's* best books of 2008 and was one of NPR's top five crime and mystery novels of 2008.
