Public Disgrace at THE CLUB La Marchesa

BLURB Out of work, facing eviction, and about to lose her car, Parice, is desperate for a quick infusion of cash. Finding hope in a classified ad the beautiful, former showgirl, agrees to be a Party Girl and all that entails for one debauched night at a private men's club. EXCERPT *So there it is. I'm applying to be the centerpiece of a big f**king orgy.* Once again, I wanted to run away, but ten thousand reasons kept me in place. Besides, as much as I love sex, the idea of being a group sex toy enticed me. "These are monthly affairs?" "For now. The Festival Committee is thinking of instituting the bi-weekly or even weekly schedule. Before I continue, I should probably find out if you still want to do this. There are a couple other acceptable young ladies who are on our queue, but if you're still interested, the job for the next event is yours." "When is the next event?" He tilted his head. "Does that mean you're interested?" "Yes." Lee began doodling on his desk calendar. "In four days—this coming Friday." "I have some questions. How and when would I be paid?" "You will be paid in cash the following Wednesday." Cash! I like that. "You wouldn't report my earnings?" Lee shook his head. "Absolutely not. Certain things about our guild are secret and this is one of them. That's why I asked only for your first name." "Will men expect to have sex with me?" "Yes, of course, but you will be paid handsomely for it. I should tell you most of the men only watch, but gradually with each event more and more men join in. Twelve men from the audience joined in the last event in addition to her Master." Thirteen men. I cocked my head. "Wouldn't that be considered prostitution?" Lee winced at my question. "Some claim it is, but we are a private club, and since you are not soliciting payment for sex, it's debatable. Also, since you get paid in cash, there's no record of payment." "If I do this, will I be the only woman?" "No. You will be the main attraction, but we will have three or four other women who act as hostesses. They will bring food and drink to our members and be available for oral or regular sex if a member wants. I better explain how this works.
