Today, if a book similar to this one were published in Europe, its author would be arrested and imprisoned. Their crime: simply questioning the so-called holocaust where six million Jews were allegedly exterminated during WW II. Indeed, researchers have endured solitary confinement, brutal beatings by Jewish assailants, ongoing harassment, lengthy court battles, career suicide, and media attacks directed against their work all because they presented a revisionist history of this pivotal event. Other writers have been the victims of hate crimes, extensive smear campaigns, fines, death threats, and monetary rewards placed upon their heads after going into hiding. The perpetrators behind these jack-booted Thought Police tactics are an entire holohoax industry devoted to suppressing factual data in favor of peddling heavy-handed doses of propaganda. Despite these obvious dangers, *The Holocaust Hoax Exposed* dissects every element of what has become the 20th century's most grotesque conspiracy. Covered in jarring detail is the mythology surrounding concentration camps, the truth about Zyklon B, Anne Frank's fable, how the absurd six million figure has become a laughingstock, and the betrayal by maniacal Zionists of their own Jewish people that led to their deaths (via starvation and disease) after Allied bombings cutoff supply lines to German work camps. Yet, the only way an Israeli state could be created on stolen Palestinian land following WW II was through the most outlandish lies imaginable. Consequently, the holohoax industry has become a tyrannical dictatorship that incessantly manipulates, distorts, marginalizes and manufactures false results to achieve their Machiavellian ends. By taking their hysterical obsessions to psychopathic levels, the charlatans behind this ruse make it glaringly apparent how weak their foundation is. To compensate, these intellectually dishonest con men (and women) continue to persecute revisionist historians all because they're incapable of supporting their arguments through legitimate debate. *The Holocaust Hoax Exposed* is the final nail in a rotting coffin that has long been buried beneath a plethora of deceit.
