East of the West: A Country in Stories Miroslav Penkov

"Penkov's teeming stories accomplish in phrases what lesser writers take chapters to convey. . . . A collection of triumphs." ?Susan Salter Reynolds, *Los Angeles Times*

A grandson tries to buy Lenin's corpse on eBay for his Communist grandfather. A failed wunderkind steals a golden cross from an Orthodox church. Every five years, a boy meets his cousin (the love of his life) in the river that divides their village into east and west. These are Miroslav Penkov's strange, unexpectedly moving visions of his home country, Bulgaria, and they are the stories that make up this beguiling and deeply felt debut. Animated by Penkov's unmatched eye for the absurd, *East of the West* is a brilliant portrait of a country with its own compass.

From reader reviews:

Sara Jones:

Information is provisions for anyone to get better life, information currently can get by anyone in everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is inside the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you find the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take East of the West: A Country in Stories as the daily resource information.

Brandy Brobst:

Are you kind of stressful person, only have 10 or 15 minute in your day time to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are receiving problem with the book compared to can satisfy your short time to read it because all this time you only find e-book that need more time to be study. East of the West: A Country in Stories can be your answer as it can be read by a person who have those short extra time problems.

Elsie Wallace:

Is it you actually who having spare time in that case spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This East of the West: A Country in Stories can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these guides have than the others?

Casey Schnell:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this East of the West: A Country in Stories can make you experience more interested to read.
