Make It Last: A Bowler University Novel Megan Erickson

After graduating from Bowler University, the last place Cam Ruiz ever expected to find himself is his hometown. A bad job as a bouncer and worry over his mom's health make living in Paradise anything but. There's only one thing that can make his return any harder—running into the only girl he's ever loved.

Tate Ellison made a mistake when she was eighteen, one that cost her the best thing she's ever had. She always hoped the pain of losing Cam would fade over time. Too bad it's only grown. She took comfort in the fact that she'd never have to face him again, so his presence in Paradise throws her for a loop.

The pull between them is instant, and when the truth of what happened years ago tumbles out, they share a mind-blowing kiss ... which leads to more. But the past has a way of repeating itself. When all the cards are on the table, Cam and Tate must decide what they are willing to do to make it last.
