## **Modelling Engine Sheds & Motive Power Depots of the Steam Era** Terry Booker

Many railway modellers include an engine shed somewhere on their layout. However, all too often the shed is squeezed into a quite improbable location and is little more than a place to 'park' engines when they are not in use.

This comprehensive book, written by an experienced railway modeller, helps even the beginner to develop a far more realistic approach and to capture the unforgettable grimy but exciting atmosphere of the locomotive shed in the steam era.
