Small Blue and the Deep Dark Night Jon Davis

When Small Blue wakes up in the middle of the night, she thinks of hungry things . . . and warty things . . . and hairy things! But are they really as scary as they seem? With the help and comfort of Big Brown, Small Blue slowly begins to imagine fun things in the dark instead of scary ones. Jon Davis's whimsical text and illustrations featuring a sweet father-daughter duo ensure that neither the night nor the unknown will be scary again.
