**The Routledge Guidebook to Foucault's History of Sexuality (The Routledge Guides to the Great Books)** Chloë Taylor

Michel Foucault's *The History of Sexuality* is one of the most influential philosophical works of the twentieth century and has been instrumental in shaping the study of Gender, Feminist Theory and Queer Theory. But Foucault's writing can be a difficult book to grasp as Foucault assumes a familiarity with the intellectually dominant theories of his time which renders many passages obscure for newcomers to his work.

The Routledge Guidebook to Foucault's History of Sexuality offers a clear and comprehensive guide to this groundbreaking work, examining:

- The historical context in which Foucault wrote
- A critical discussion of the text, which examines the relationship between *The History of Sexuality*, *The Use of Pleasure* and *The Care of The Self*
- The reception and ongoing influence of *History of Sexuality*

Offering a close reading of the text, this is essential reading for anyone studying this enormously influential work.
