Total Auto Body Repair L. C Rhone

This text provides comprehensive and accurate information on basic auto body repairs. Clear, concise writing and step-by-step photos of important repair procedures help students grasp important concepts and prepare for hands-on lab experience.

Units on auto glass and trim work are included, as are comprehensive discussions of body panel adjustments and rust damage repairs. Careers in body repair and body shop are discussed as well as estimating, insurance work, and other aspects of body shop management. The Student Workbook includes text unit summaries, review questions, and a listing of personal tools needed by auto body repair technicians. The Instructor's Guide provides suggestions for organizing classroom and laboratory time, using tests, checking students' work, and keeping class records.
