#### **Carl Moss:**

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Using Microsoft Office to Enhance Student Learning can make you sense more interested to read.
